Our pre-school courses nurture a child's inborn curiosity and excitement in learning. Children would gradually develop their abilities and skills in phonics, reading and writing, alongside a blooming creativity and imagination.

我們的學前教育的核心是讓小朋友發展對學習的興趣和能力。課程的核心是讓孩子掌握英文的拼音、閱讀和書寫的同時，發揮他們的創意和想像力。

愛上語文班 塑 浸 先

課程旨在讓孩子在學習語文的過程中了解文化、愛上語文。課程會透過有趣的文字遊戲、成語故事、詩歌唱誦等豐富多彩的形式讓孩子感受中國文字的奇妙之處，從而激發學習興趣，從此不再害怕中文。另外，課程亦會透過輕鬆的遊戲和故事，幫助孩子鞏固過去的語文知識，為新學年的語文學習打好基礎。

Trinity's Graded Examinations in Spoken English test students' ability in listening and speaking. Young learners will enjoy our interactive, conversation-based approach to preparation for these exams. i-Learner Education Centre is an official Trinity Exam Centre and we currently offer courses for grades 1-3. Parents can request for higher level courses if a group of four has been formed.

Trinity GESE試只考口語，考生需要與考官進行單對單的英語對話，是英文說話能力的最佳證明。小學或中學面試時，英語的聆聽和口語表達能力十分重要。家長如果希望加強孩子的英語聽講能力和提升他們使用英語的自信心，讓他們參加GESE口語考試是很好的選擇，因為GESE的確很全面和系統地訓練孩子用英語表達自己和與人溝通的能力。家長亦可自行組班，報讀較高級別的考試班。i-Learner教育中心亦為Trinity的考試中心。

Mastering Reading Skills 浸先

Name: Yanni
Yanni gets a breathing hole
Long, long time ago, there was a girl dolphin called Yanni. One day, when Yanni was playing in the ocean playground with Bernice, her clownfish friend, a stingray suddenly popped out of nowhere! The stingray said "Yum yum, dolphin and clownfish dinner tonight!" He asked a whole family of sting to kill them.
When the stingrays were about to kill Yanni and Bernice, a cutlass student accidentally put a hole on Yanni's forehead! Yanni was pleased and said, "Hooray! Now I can breathe in that hole of my nose! But, I have to come up every 10 minutes to have fresh air but that's not a minute at five o'clock sharp, Yanni went home. Family were delighted, they kept asking what is it for? Robert do you get it?
From now on, the dolphins allow cutlasses to give the breathing holes.
As for Yanni, she is rich now. She of breathing holes to dolphins and even 17 my loyal readers. I will write me a promise.

Chapter 1: Dilemma
Date: _____

The True Beauty of All
In the 21st century there is an evident revolution in the concept of beauty. Flipping through the heavy magazine, all you see is heavy models whose legs are so thin you think they are going to break, gym and cosmetic surgery magazines, and cosmetic surgery is so popular in the world that it is even more evident than the concept of beauty has never been as superficial in history.
The current trend is really to look young and thin, or to have large eyes and to be in a great shape. With scientific advancement, achieving the so-called 'beauty' has never been easier, as long as you are willing to pay. Cosmetic surgery industry has become a hot topic in South Korea lately. Every time in four ladies in South Korea have a cosmetic surgery in the past, and it's even more shocking to hear that 1 in every five mothers of children aging from 12 to 16 in South Korea would recommend their children to receive cosmetic surgery. Likewise, the trend has gone viral in other parts of the world. Cosmetic surgery is no longer a taboo, but even a 'must' according to ladies in South Korea. People also put on heavy make-up and attempt various treatments or pills to become slim and beautiful.
However how necessary is that? Is outer beauty gradually overriding inner beauty? It's time to ponder. There was once a joke:
"You wear make-up? Maybe you should not wear make-up to make yourself beautiful."
It's a great illustration of the current tragic situation. People are often putting little to risk on their outer appearance instead of their inner virtues or even the things that will risk, yet people still rush to get "beauty" on a day to day basis. It's a sad fact that we are losing our psychological descent. How can one be a better person?
I want to be a kind, upright, healthy, and happy person. My virtues inside that count. As Eleanor Roosevelt once said "The kind of person you may be, if truth and beauty are written across her face, cannot be hidden. Gentle friends are attracted to your virtues, not your looks. You cannot last forever but the virtues are eternal. It is not in vain, because only with health can one live life to the fullest in life. Not to mention happiness, if the so-called 'beauty' does not survive, why pursue it at all?"
