# Summer Scholars Camps 2018

## 小學者夏令營 2018

Welcome to i-Learner's 2018 Summer Scholars Camp! This year's theme is 'Exploring Nature', so join us as we discover the biodiversity of Hong Kong – and the world.

We provide an immersive English language programme that incorporates a wide range of teaching methodologies, catering to every type of learner.

This ensures that all students are stimulated to develop and practise English whilst having fun and gaining awareness on different ecosystems. Through lessons, arts and crafts, projects, presentations and excursions, they advance their knowledge of English and apply it to daily interactions and activities.

The Camp is open to all students from Pre-K3 to Pre-S6. They will be guided on their learning journey by our vibrant team of Oxbridge tutors who foster an exciting, educational environment and engage one-on-one with the Scholars.

This summer is guaranteed to be fun-filled and adventurous, and we look forward to having you on-board!

小學者夏令營又來了！在這個暑假，我們要和從英國劍橋大學和牛津大學來的老師一起發掘大自然的秘密！從森林到神秘的太平洋，再到人跡稀少的沙漠，我們一起去了解，去學習如何愛護這些對地球極為重要的地方。我們還會一起學習如何閱讀，如何搜集資料，如何觀察和想像，如何發問和表達，如何過一個快樂而有意義的夏天。

準備上 K3 到中五的同學們，這個暑假快來參加我們的小學者夏令營吧！
