

### **24/7 Live Panda webcam**

Watch the 100+ pandas at the Chengdu Research Base, one of the biggest panda sanctuaries in China.

<https://www.youtube.com/watch?v=p6F14bsgig0>

### **24/7 San Diego Zoo webcams**

Live camera to watch koalas, penguins, tigers and more. These animals live in the USA, so they're 16 hours behind us. Check them out at different times of their day and night.

<https://zoo.sandiegozoo.org/live-cams>

### **Smithsonian National Museum of Natural History**

Walk through this huge museum and see their many famous exhibits (including dinosaurs!)

<https://naturalhistory.si.edu/visit/virtual-tour>

### **The White House**

Have a look around the White House in the US

<https://artsandculture.google.com/partner/the-white-house>

### **Google Arts and Culture Explore**

Go inside artworks, walk through museums and more in this rich resource bank.

<https://artsandculture.google.com/explore>

### **AirPano**

Virtual trips to different tourist attractions in the world.
