

My DSE English Language self-evaluation card

This self-evaluation card is designed for you to review your English level and help you to plan how much work you will need to do to attain a particular level in the DSE English exam.

Write down the **Projected Level** (Level 2 or below to Level 5**) you attained in a mock paper or past paper that you completed recently. If you haven't completed a mock paper or past paper, you can estimate your Projected Level by finishing the set of mock papers in this book.

Now write down the **Target Level** (Level 3 to Level 5**) that you pledge to attain in the exam.

Projected level (attained in a mock paper / past paper)	Level ____
Target level (that you aim to attain)	Level ____

Check the **Study Plan** below to calculate the amount of time you need to put into studying, and working on mock and past exam papers.
