# Learning in Action: Fishing Fun

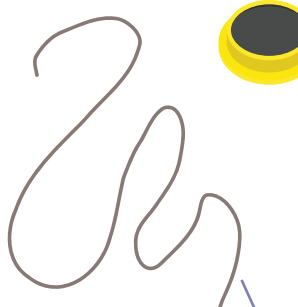

Learning new things is lots of fun! Do you want to learn to fish?

You can practise at home. You need:

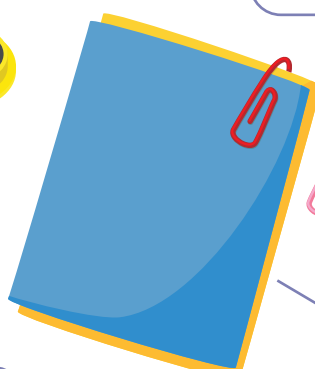

A magnet

Paper clips

Some string

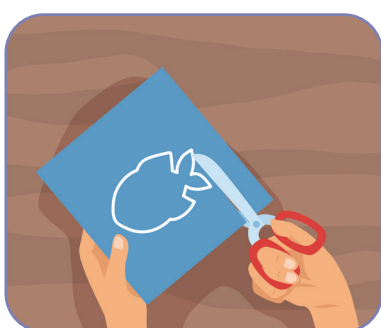

Paper

A pencil (or a stick)

First make some fish!

Put the paper clips on to make mouths.  
Make a fishing rod with the pencil, string  
and magnet. Can you catch a fish?

**Follow the link at the back of this book to see how.**

## Fun Fact

The biggest fish in the world is the whale shark. It can be as heavy as a double decker bus!
