Join our new I Love Grammar e-Learning Platform in addition to the workshops!

The I Love Grammar e-Learning Platform is a platform specially designed for Chinese speakers who are learning English as a second language.

We aim to provide an interactive way for students to not only understand common mistakes but also allow them to make fast improvements in their understanding of English.

The platform starts from foundational topics and builds on skills step-by-step across 6 levels, corresponding to P1-P6. With 6 levels which include 72 units, the platform gives you all the tools to become a grammar expert.

Enroll in the courses to get **Exclusive Discounts** on the I Love Grammar e-Learning Platform and I Love Grammar books!
