Instructors:

Mr. Iain MacDonald

Mr. Iain MacDonald graduated from the University of Manchester with a BEng in Chemical Engineering. He then moved to Hong Kong to pursue a career in teaching. Iain has a passion for outdoor pursuits and brings energy and fun to all of his English classes at i-Learner.

Mr. Andy Chan

Mr. Andy Chan has a rich background in the biological sciences. As a native English speaker from the US, Andy has volunteered his spare time to teach English as a private tutor to local children. He incorporates his knowledge of the sciences into his teaching to enrich his lessons and foster his students' natural curiosity. Andy continues to pursue his goal of becoming a Medical Laboratory Scientist, while also developing his career as a Biology and English teacher.
