Young Globetrotters

小學國際課程

Younger students who wish to prepare for studying overseas can join our Primary programme, Young Globetrotters.

This set of courses is specially designed for younger students to work on the skills needed to succeed at boarding schools admissions and academic life in an international setting. Our new international primary level classes build on our long-standing tradition of providing top-quality education to Hong Kong's ambitious students.

小小環球歷險家：小學國際課程

專門為有可能小學階段到外國求學的學生而設。

Students at our Centres have long enjoyed the opportunity of building up essential skills for studying abroad, such as critical thinking and self-expression, through our regular primary level courses.

With Young Globetrotters, students can push themselves further with advanced courses that maximise the key skills needed for studying abroad and provide students with a fully-rounded international education that will prepare them for the challenges and demands of overseas schools. Students focus on four main areas and take courses in the following:

Unit 1 English for International Studies	Unit 2 Critical Thinking and Creativity	Unit 3 Global Education	Unit 4 Expression and Self-Confidence

Voyage

啟航課程

Our new Voyage Programme has been especially designed to help students aged 11-14 do more than just pass English – we want them to master it!

啟航課程專為11-14歲學生而設，希望能幫助他們自如地掌握英文，明白英文的內涵和邏輯，而並非僅是通過學校考試。

The programme is divided into two main phases. In the first term, students attend Core Skills classes which are focused on improving students' critical thinking, communication skills and understanding of English. In the second and third terms, students choose between three different directions, the International Stream, Pre-DSE Distinction or the Pre-DSE Foundation.

啟航課程一共分為兩個學段。在第一個學段，所有的學生皆會修讀核心課程，培養批判性思考、溝通技巧和英文運用能力。在二、三學段，學生可以選擇在國際班，Pre-DSE高階班或Pre-DSE基礎班中學習。

Focus on Core Skills

專注於核心技能啟航課程第一學期中，學生參加核心技能課程。

In the first term of the Voyage programme, students attend **Core Skills** classes which focus on improving students' critical thinking, communication skills and understanding of English.

The materials have been designed to address the common gaps that students show in their English skills after beginning secondary school. Attending this course will not only reinforce students' knowledge of English, it'll help them excel in a variety of tasks now and in the future.

Electives

選修課

In the second and third terms of the programme, students choose to go into the International Stream, Pre-DSE Distinction Stream or Pre-DSE Foundation Stream, which offer different courses called Electives.

Electives are sets of classes that are tailored to specific needs. If students want to tackle difficult grammar problems or improve listening skills, they might choose the Pre-DSE Foundation Stream. If students are planning to study abroad and would like to practise the SSAT or boarding schools tests, they can choose the International Stream.

在啟航計劃的第二及第三學段，學生將可選擇進入國際班，Pre-DSE高階班或Pre-DSE基礎班。進入不同班別的同學，會修讀對應的選修課。

選修課的一系列課程，根據同學的需要而設計。如果學生希望解決語法難題，或提高閱讀和聽力能力，可以選擇Pre-DSE高階或Pre-DSE基礎班。如果學生計劃在海外留學，準備應考SSAT或寄宿學校考試，可以選擇國際班。

探索課程

The course, designed for students aged 15 and above, offers learners a foundation in key areas that will give them the knowledge, skills and confidence to succeed at IGCSEs, the DSE, IB, A Levels and university admissions. Like our Voyage programme, students take a core skills course before choosing to go into the International Stream, DSE Distinction Stream or DSE Foundation Stream.

探索課程專為15歲或以上學生設計，幫助學習者打好關鍵領域的基礎，使他們能匹配充足的知識、能力和信心，在IGCSEs、DSE、IB、A-level以及大學入學考試中獲得成功。和啟航課程一樣，學生會先完成核心技巧課程的學習，再選擇國際班、DSE高階班和DSE基礎班。

Focus on Core Skills

In the first term, students attend our **Core Skills** classes which focus on furtherimproving students' critical thinking, communication skills and global knowledge.

Students work on their argumentation skills, while also reading advanced materials on key subjects, including important literary texts and historical movements. Moreover, as students are asked to unseen passages and comprehensions in exams, they'll focus on critical analysis and writing well-structured responses.

探索課程的第一學期中，學生參加核心技能課程，重點是：提供明辨思維、溝通技巧和對國際教育。

學生將鍛練論證技巧，並閱讀著名的重要作品，包括重要的文學著作和主要文學發展流派。此外，由於學生必須在考試中應對新文章以及回答有關的閱讀理解問題，他們將需要專注培養批判性分析和撰寫結構合理的回應的能力。

Admissions Consultancy

Junior and Senior Admissions

Our mission at i-Learner is provide a range of tailored educational services that can meet every child's needs. As part of our international programmes and belief in the value of a global education for all students, we're now offering two streams of admissions consultancy services for primary and secondary school children who are planning to study abroad.

One of our strengths is that i-Learner tutors pride themselves on getting to know each student and their different educational needs. This focus on the individual child is also at the heart of our admissions consultancy. We ensure that we fully understand students' profiles before we match them with a range of possible international schools where they would not only succeed but thrive in every area!

Our

succeed.

Admissions Tutors

Our team of admissions tutors are experienced consultants with strong knowledge of US, UK, Canadian, Australian and European schools.

Several of our admissions tutors have studied at top boarding schools and universities and even held positions on admissions panels at world-renowned institutions.

Our admissions team offers the best resources for preparing students to study abroad.

- Providing a tailored service with education planning over a 9-12-month period
- Preparing students for making well-informed decisions
- Guiding the students through the whole school application process
- Extra webinar series and podcasts on **Oxbridge and Ivy League Admissions**

Junior Admissions

Our admissions team can guide primary school students and their parents through the often daunting task of selecting a suitable school in another country and preparing for the application process and interview. Our admissions tutors provide the following tutorials to help students get ready for success at their new schools.

- Guidance and orientation on school applications
- Interview practice
- Tailored courses for strengthening critical thinking, writing and speaking skills
- Active participation coaching

Many of our students benefit from first taking our Young Globetrotters courses or our regular primary courses in order to maximise their critical thinking, English proficiency and interview skills — and ensure they are truly ready for admissions and a new school!

Senior Admissions

Our admissions team provides top expertise that enables each student to prepare the best application for the most suitable school or university for them. While the admissions consultancy is a stand-alone service, our students are best prepared when they take our international Voyage and Discovery courses before their application.

- Guidance and orientation for school applications
- One-on-one essay tutorials
- One-on-one interview tutorials
- Intensive English writing and speaking classes
- Standardised test preparation

“Which school is best for my child? Co-ed or single-sex? How can I best prepare my child for an international school environment? What’s the difference between independent and public schools in the UK?”

Our admissions tutors can answer all your questions and more.

Continuing Support

Already got a place?
Our admissions tutors also offer **support** for students **already studying abroad** who need **extra** help with settling in and meeting the **academic requirements** of a **new school**.

Oxbridge Virtual

Summer Camp

The best way to start – or finish! – our Voyage and Discovery programmes is with an online study tour abroad.

Our Oxbridge Virtual Summer Camp is an exceptional opportunity to study online with top tutors from Oxbridge and Cambridge based in the UK.

Students will get a taste of Oxbridge life by attending intensive online tutorials on key texts in western civilisation, debate and public speaking, and essay-writing. And they'll have one most famous learning experiences in the world the Oxbridge interview! This is students' opportunity to practise their critical thinking and admissions skills for the very top universities.

要為啟航課程和探索課程畫上一個完美的起點——或者句點——最好的方式，莫過於遊學英倫頂級大學。

我們的牛津劍橋夏令營，將為學生一個絕佳的機會，在牛津大學校園，跟隨這所世界頂尖大學的導師學習西方經典、辯論、演講和寫作。他們可以沈浸在牛津大學數百年的學術氛圍中，更可以體驗世界著名的牛津劍橋式導修課。

At our Oxbridge camp, students work on honing razor-sharp thinking and communication by focusing on their argumentation ability and debating skills.

在牛津劍橋夏令營中，學生將集中鍛鍊清晰思考和溝通能力，提升辯論技巧。

Part I: Western Civilisation

Our Oxbridge Summer Camp is taught by top graduates and former Oxford lecturers and designed for intellectually curious students.

The Virtual Camp covers stimulating topics that will stretch Hong Kong students' intellectual ability, broaden their horizons and improve their English. This will give them an extra advantage for succeeding in exams, including IGCSEs, the DSE, or admissions tests.

- Classical Texts: Plato, Euripides, Catullus & Virgil • European Epics: Beowulf to Dante
- Writing an Oxbridge Essay
- Reading Oxford Writers: C.S. Lewis, J.R.R. Tolkien, Oscar Wilde and Philip Pullman
- Reading Cambridge Poets: William Wordsworth, Byron and Coleridge
- Guest Lecturer in Classics from University of Oxford

In the first session, students will work on their communication by focusing on argumentation ability and writing well-structured responses to challenging works of literature.

我們的牛津劍橋夏令營中，將由頂尖畢業生和前牛津講師，為初中生和即將參加公開考試的學生授課。夏令營中選擇的主題和文本，將為香港學生提供刺激與靈感，助其充分發揮智思，拓寬眼界，提升英文能力。不論參加IGCSEs，DSE還是大學入學考試，這都能幫助他們在成功線前領跑一步。

Part II: Self-expression

In the second session, students get into practice mode in our Workshops & Activities programme. They'll focus on their speaking skills through drama performances, poetry recitation, and creative writing.

- Debating Workshop
- Quick How-To: Giving Individual & Group Presentations
- Oxford Fantasy & Creative Writing • Drama, Poetry & Performance
- Interview Practice
- Quick How-To: Writing Your Personal Statement

Students will also get practical help on other important speaking tasks, including presentations and interviews, which are essential for succeeding at home and overseas.

下午班為工作坊和活動的版塊，帶領學生進入實踐模式。他們將進行戲劇表演，詩歌朗誦和創意寫作，精進口語技巧。學生亦將在報告和面試等其他重要口語領域中，得到實用的幫助。這對於在國內外取得成功，皆至關重要。

Virtual Camp Dates 24-30 August 2020

Students will work closely with graduates from Oxford and Cambridge, and get a real Oxbridge experience right from their own homes.
