Pre-school English: Bringing Books to Life

幼兒英語: 閱讀的魔法世界

Our Pre-school English lessons develop your child's reading, speaking, listening and writing skills. By exploring two books every lesson, your child will rapidly accumulate key concepts and vocabulary. 我們的幼兒英語課程可培養您孩子的閱讀、口語、聽力和寫作的全方位英文能力。通過每節課跟隨兩本書一起探索，您的孩子將迅速積累關鍵概念和詞彙。

This summer, i-Learner's students are bringing books to life. They'll not only learn to love literature, but they'll share this passion too. In each lesson, students engage with a selection of texts through interactive storytelling, creative activities, and movement and music. Building confidence and deep understanding of not just words but stories is key to long-term comprehension skills, and our students are rising to the challenge this summer.

At the end of the summer term, students will perform two pieces they have prepared - a song and a short drama. Parents are welcome to watch, and you'll also see them receive their i-Learner certificate in recognition of their skills at bringing books to life!

Pre-P1 Interview Class 小一面試課程

Our popular interview course gives comprehensive coverage through both English and Chinese lessons taught by native speakers. With a focus on academic confidence and curiosity, this course also nurtures students' soft skills, such as empathy and compassion, to prepare them for life-long success. Our students are well received by top primary schools, and they settle in quickly using the skills and abilities developed at i-Learner, setting them on the right path to academic achievement.

When Karena joined i-Learner, she was a clever, funny K1 student with a lot of potential. She hadn't yet picked up phonics, so she couldn't read or spell. However, she clearly loved learning, and she moved quickly through the levels of our Growing Giraffes English Programme. She was a perfect candidate for her dream school, DGJS, and we worked with her family to ensure she could show the school her skills.

Alongside our Growing Giraffe's courses, Karena took a Cambridge Starters Prep course, and she was soon able to obtain amazing results. She now has a perfect 15-shield Cambridge Starters certificate, a Distinction in both Grades 1 and 2 for Trinity GESE, and a Merit for Grade 3 Trinity GESE (an exam designed for 8-12 year olds). She's taking our Critical Reading and Writing L0 course, an advanced class for students wanting enhanced critical thinking, writing, and empathetic awareness skills. She's fully prepared for the place she'll soon be taking up at DGJS.
