## Weekly Topics

### **Week 1 (15th - 19th July): The Mysteries of Science**

#### 迷上科學

Conduct hands-on experiments and take part in the scientific process of creating, testing and reporting on a hypothesis. Explore the world around you, develop and present a project, and have fun in the Science Museum.

### **Week 2 (22nd - 26th July) : Subject Tasters 學科淺嘗**

Explore new subjects to find your passion. Delve into Modern and Classic Languages, discover the mysteries of Hong Kong's history, get creative with Art and Design, and make your own fun for the future by learning coding and game design.

### **Week 3 (29th July-2nd August): Reading Craze**

#### 愛上閱讀

Dive deep into the world of books and bring it to life. Find new ways to discover different stories, to interact with them, and to share them with others. Prepare to find some new fiction and non-fiction favourites!

### **Week 4 (5th - 9th August): Space and NASA太空探索**

Discover what life is like in space, and if there will be someone (or something) waiting when you get there. Learn about space exploration and the mysteries that still remain about the universe.

### **Week 5 (12th - 16th August): Writing and Publishing**

#### 寫作與出版

Write, edit and format a book to share with your family and friends. Go through the steps of research, planning and improvement to understand how real authors bring their ideas to life.

### **Week 6 (19th- 23rd August): English Speaking Craze**

#### 出口成文

Build your confidence by speaking in different settings. Learn how to present your ideas through debates, speeches and more.

### **Week 7 (26th - 30th August): Success Tracks成學之路**

Step into the new school year with all the skills you need to succeed. Strengthen your studying techniques, make the most of your passions and find ways to avoid errors in exams. Get inspired to think long-term about learning, and put yourself onto the path to success.
